Grade Distribution Scale of SAC

We do not rank students at SEV American College. SAC follows the passing promotion system of the Turkish Ministry of Education. The passing grade is 50. Students who fail one or more courses take makeup exams. In order to graduate, a student must pass all courses. **GPA's on our transcripts are unweighted, i.e. IB SL or HL courses are not given any special weight.** A student's GPA is calculated on the basis of the grade and the number of periods each class meets per week.

Addendum explaining Covid-19 Period

SEV American College continued its education for Prep through Grade 12s online (with both synchronous and asynchronous class activities throughout the week for each course) from March 23, 2020, until the end of 2019-20 academic year. During 2020-21 academic year education started and continued to be held fully online for Grade 9s through 11s. However, the exams were held face to face at school.

As per Turkish Ministry of Education's directives education started 100% face to face at all levels of primary and secondary level education on 06th September 2021 for the 2021-22 academic year. We feel that our school has created a safe environment in line with the Covid-19 regulations set by Turkish Ministry of Health. However, SAC is ready to provide fully online or hybrid education if the directives change.

SAC has made considerable investments on top of the current IT infrastructure during COVID-19 to be able to teach with modern learning systems and for students to have quicker access to internet. Blackboard Ultra has been implemented as the new Learning Management Systems at the beginning of 2020/2021 academic year. Furthermore, SAC increased its internet access speed by two times to approximately 1000mbps after starting online education in March 2020.
