#### The School

SEV American College (SAC) is owned by the Health and Education Foundation (SEV) and is based on the traditions, successes, and academic excellence of its sister institutions: Üsküdar American Academy, established in 1876; American Collegiate Institute of İzmir, established in 1878; Tarsus American College, established in 1888; SEV American College, established in 2014.

SAC is accredited by the Turkish Ministry of Education and is a member of Council of International Schools. SAC is currently working towards full CIS accreditation status. Our school is an accredited IB World School authorized to run the IB Diploma Programme.

#### The Faculty

Total Faculty: 91 full-time teachers with an average experience of 15.5 years. The percentage of foreign staff is 19%. Our faculty is composed of 74 Turkish, 8 American, 3 British, 2 Spanish, 1 Australian, 1 Italian, 1 Indian and 1 Cameroonian teacher. 51 faculty members hold a master's degree.

#### Our Students

Prep class students continuing their education after attending a SEV Middle School are accepted to SAC based on their Grade Point Averages (%75+), while others are accepted to SAC on the basis of a highly competitive national high school entry examination taken at the end of 8th grade by over one million students every year.

29% of our students are on a full or partial scholarship and 100% of our graduates move on to a four year institution.

#### Grade Distribution Scale of SAC

We do not rank students at SEV American College. SAC follows the passing promotion system of the Turkish Ministry of Education. The passing grade is 50. Students who fail one or more courses take makeup exams. In order to graduate, a student must pass all courses. **GPAs on our transcripts are unweighted, i.e. IB SL or HL courses are not given any special weight.** A student's GPA is calculated on the basis of the grade and the number of periods each class meets per week.

Curriculum Choice: Grades 9 and 10 have a set curriculum with a few electives. In grade 11 students have three choices going forward. Students must apply for and be accepted into the IB Diploma Programme. Approximately 30% of SACs Grade 12 students were accepted into and are studying the IB Diploma Program. All SAC 2021 IBDP Candidates received a bilingual IBDP Diploma in addition to the Turkish Anadolu Lisesi Diploma.

#### Addendum explaining Covid-19 Period

SEV American College continued its education for Prep through Grade 12s online (with both synchronous and asynchronous class activities throughout the week for each course) from March 23, 2020, until the end of 2019-20 academic year. During 2020–21 academic year education started and continued to be held fully online for Grade 9s through 11s. However, the exams were held face to face at school.

As per Turkish Ministry of Education's directives education started 100% face to face at all levels of primary and secondary level education on 06th September 2021 for the 2021-22 academic year. We feel that our school has created a safe environment in line with the Covid-19 regulations set by Turkish Ministry of Health. However, SAC is ready to provide fully online or hybrid education if the directives change.

SAC has made considerable investments on top of the current IT infrastructure during COVID-19 to be able to teach with modern learning systems and for students to have quicker access to internet. Blackboard Ultra has been implemented as the new Learning Management Systems at the beginning of 2020/2021 academic year. Furthermore, SAC increased its internet access speed by two times to approximately 1000mbps after starting online education in March 2020.
