The School

SEV American College (SAC) is owned by the Health and Education Foundation (SEV) and is based on the traditions, successes, and academic excellence of its sister institutions: Üsküdar American Academy, established in 1876; American Collegiate Institute of İzmir, established in 1878; Tarsus American College, established in 1888; SEV American College, established in 2014.

SAC is accredited by the Turkish Ministry of Education and is a member of Council of International Schools. SAC is currently working towards full CIS accreditation status. Our school is an accredited IB World School authorized to run the IB Diploma Programme.

The Faculty

Total Faculty: 91 full-time teachers with an average experience of 15.5 years. The percentage of foreign staff is 15%. Our faculty is composed of 75 Turkish, 8 American, 2 British, 2 Spanish, 1 Indian, 1 Italian, 1 Australian, and 1 Cameroonian teacher. 46 faculty members hold a master's degree.

Our Students

Prep class students continuing their education after attending a SEV Middle School are accepted to SAC based on their Grade Point Averages (%75+), while others are accepted to SAC based on a highly competitive national high school entry examination taken at the end of 8th grade by over one million students every year.

27% of our students are on a full or partial scholarship and 100% of our graduates move on to a four-year institution.

Students who fail one or more courses take makeup exams. A student must pass all courses. In order to graduate. **GPAs on our transcripts are unweighted, i.e. IB SL or HL courses are not given any special weight.** A student's GPA is calculated based on the grade and the number of periods each class meets per week.

Addendum explaining Covid-19 Period

SEV American College continued its education for Prep through Grade 12s online (with both synchronous and asynchronous class activities throughout the week for each course) from March 23, 2020, until the end of 2019-20 academic year. During 2020-21 academic year education started and continued to be held fully online for Grade 9s through 11s. However, the exams were held face to face at school.

As per Turkish Ministry of Education's directives education started 100% face to face at all levels of primary and secondary level education on 06th September 2021 for the 2021-22 academic year and face to face education continued during the full academic year. 2022 -23 academic year also commenced face-to-face on 12th September 2022. We feel that our school has created a safe environment in line with the Covid-19 regulations set by Turkish Ministry of Health. However, SAC is ready to provide fully online or hybrid education if the directives change.

SAC has made considerable investments on top of the current IT infrastructure during COVID-19 to be able to teach with modern learning systems and for students to have quicker access to internet. Blackboard Ultra has been implemented as the new Learning Management Systems at the beginning of 2020/2021 academic year. Furthermore, SAC increased its internet access speed by two times to approximately 1000mbps after starting online education in March 2020.
