The School

SEV American College (SAC) is owned by the Health and Education Foundation (SEV) and is based on the traditions, successes, and academic excellence of its sister institutions: Üsküdar American Academy, established in 1876; American Collegiate Institute of İzmir, established in 1878; Tarsus American College, established in 1888; SEV American College, established in 2014.

SAC is accredited both by the Turkish Ministry of Education and Council of International Schools (CIS).

The Faculty

Total Faculty: 75 full-time teachers with an average experience of 15 years. The percentage of foreign staff is 15%. Our faculty is composed of 64 Turkish, 5 American, 3 British, 1 Spanish, 1 Italian, and 1 Cameroonian teacher. 43 faculty members hold a master's degree. 2 faculty members hold a PhD degree.

Our Students

Prep class students continuing their education after attending a SEV Middle School are accepted to SAC based on their Grade Point Averages (%75+), while others are accepted to SAC based on a highly competitive national high school entry examination taken at the end of 8th grade by over one million students every year. The admitted students rank in the top 1.5% of the national high school entry exam.

26% of our students are on a full or partial scholarship and 100% of our graduates move on to a four-year institution.

Total Students	583
Prep Students	107
9 th Grade Students	130
10 th Grade Students	131
11 th Grade Students	109
12 th Grade Students	106

We do not rank students at SEV American College. SAC follows the passing promotion system of the Turkish Ministry of Education. The passing grade is 50. Students who fail one or more courses take makeup exams. A student must pass all courses, in order to graduate. **GPAs on our transcripts are unweighted, i.e. IB SL or HL courses are not given any special weight.** A student's GPA is calculated based on the grade and the number of periods each class meets per week.

The Curriculum

Language of Instruction: All Science and Maths courses are taught in English.

Academic Program in Prep Year: All students are required to take a preparatory year to provide a sufficient level of English for their high school education. Prep courses are: Intensive English (20 hours), Mathematics, Turkish, Music, Visual Arts, Computer Science and Physical Education.

Curriculum Choice: Grades 9 and 10 have a set curriculum with a few electives. In grade 11 students have three choices going forward. They can choose between the math/science-based FM curriculum; the math/humanities-based TM Curriculum; or the IB Diploma Programme. Students must apply for and be accepted into the IB Diploma Programme. Approximately 56% of SACs Grade 10 students were accepted into the IB Diploma Program. All students, regardless of the programme they follow, are awarded with Turkish Anatolian High School Diploma (lise diplomasi).
